

## Part B Insider (Multispecialty) Coding Alert

### Clip and Save: Say Goodbye to 2006 Mammogram Codes

Here's a 2006-to-2007 crosswalk of some of your most used radiology codes

CPT 2007 offers up a massive radiology code reorganization. Post this quick reminder sheet on your desk to keep yourself from using the wrong code in the new year.

**Remember:** You should always verify a code in the CPT manual before you report it.
