

## Eli's Rehab Report

### How Does Your State Measure Up?

#### We've got the scoop on which states have the best BTB reimbursement

Individual Medicare carriers can decide which diagnoses warrant Botox type B (BTB) reimbursement, so you should always check with your payer before administering BTB injections. As of press time, the following states' published policies listed the highest number of reimbursable [ICD-9 Codes](#), based on the policies posted at [www.cms.hhs.gov/mcd](http://www.cms.hhs.gov/mcd).
