### Hospice News: 2 Ohio Hospices Merge, But Keep Names For Now

**Hospice of the Western Reserve** and **HMC Hospice of Medina County** have merged. For the next year, both hospices will keep their names and no workforce reductions are planned, reports The Chronicle newspaper.

Hospice of the Western Reserve formed a "collaborative initiative" with **Hospice of Dayton** last year (see Eli's Hospice Insider, Vol. 8, No. 2).
