Hospice News: Access Free Hospice Quality Reporting Training

Trying to get up to speed on the new hospice quality reporting requirements that kick in this year? CMS now has posted its training videos on the topic from April.

CMS has posted sessions on the QAPI structural measure, the **National Quality Forum** #0209 (pain) measure, and data collection. Go to

www.cms.gov/Medicare/Quality-Initiatives-Patient-Assessment-Instruments/Hospice-Quality-Reporting/Spotlight.html and scroll down to the "Downloads" and "Related Links" sections for the ZIP files.
