Hospice News: Check Out New Medicare Data Resource

Check Out New Medicare Data Resource

You can get concrete data about how COVID-19 affected Medicare beneficiaries - and the healthcare providers that serve them - in a recent "COVID-19 Snapshot: Impact on the Medicare Population" document.

For example: Five percent of COVID-19 patients discharged by the hospital went to hospice as of April 24, 2021, the Centers for Medicare & Medicaid Services reveals in the snapshot.
