Hospice News: Choose Your CAHPS Vendors From Final List

If you've put off choosing a hospice CAHPS vendor because CMS's vendor list was provisional, you have no more excuse for procrastinating. CMS has posted the final list at www.hospicecahpsurvey.org/content/ApprovedSurvey.aspx.

Plus: CMS also has posted new hospice Consumer Assessment of Healthcare Providers and Systems forms, question-and-answer updates, and more online at www.hospicecahpsurvey.org/content/ApprovedSurvey.aspx.
