Hospice News: Deeper Sequestration Cut Still On For July 1

Get ready to tighten your budget belt further.

You've got just over a month left before sequestration ratchets your payment rates down again.

Background: A 1 percent Medicare sequestration cut was reinstated as of April 1, HHH Medicare Administrative Contractor CGS says in a recent message to providers.

The jump back to a full 2 percent sequestration cut is on track for July 1, CGS confirms.
