### Hospice News: Give Medicare Officials The Unvarnished Truth About Medicare Advantage Plans

Here's your chance to give CMS an earful about Medicare Advantage plans. The Centers for Medicare & Medicaid Services is soliciting feedback to improve MA, it says.

"Medicare Advantage is a critical part of CMS' vision to advance health equity; expand access to affordable coverage and care; drive high quality, person-centered care; and promote affordability and sustainability of Medicare," CMS Administrator **Chiquita Brooks-LaSure** says in a release about the Request for Information. "Medicare Advantage plans are essential partners in this work," Brooks-LaSure says.
