Hospice News: Hospice Claims Top OIG's Hit List

Hospices are a target in the **HHS Office of Inspector General's** top challenges for the year.

In its annual summary of the most significant management and performance challenges facing the **Department of Health and Human Services**, the OIG highlights problems with the hospice industry. In a recent OIG audit, "for more than 60 percent of claims, hospices did not meet federal requirements for establishing adequate plans of care," says the report which is online at <http://go.usa.gov/nLY>.
