Hospice News: Medical Reviewers Zero In On Inpatient, Non-Cancer Stays

Will your stats put you on MAC's radar?

If you're wondering what hospice topics are catching medical reviewers' attention at HHH MAC **Palmetto GBA**, a new website post tells you.>

>The Medicare Administrative Contractor lists General Inpatient (GIP) care, with "Inpatient Hospice Care Outliers based on Mean Days for Jurisdiction," and NCLOS, with "Non-Cancer Diseases of the Nervous System" on its active medical review hit list right now.>
