Hospice News: National Chain Makes Acquisition In Alabama

LHC Group Inc. is wading further into the hospice market. It has acquired the assets of **Infirmity Hospice Care** in Mobile, Ala., the chain says in a release. Infirmity serves Mobile and Baldwin counties in the Certificate of Need state and has annual revenues of \$2.5 million.

"This hospice acquisition continues LHC Group's strategy of acquiring hospice providers located within the Company's current home health markets," the Lafayette, La.-based provider says. LHC owns 34 hospice locations in 10 states.
