Hospice News: New National Recovery Audit Contractor Has Hospice In Its Sights

Get to know the latest reviewer that will be looking over your shoulder.

Hospices may not fly under the RAC radar much longer.

The **Centers for Medicare & Medicaid Services** has awarded a new contract for a national Recovery Audit Contractor focused on postpay review of DMEPOS, home health and hospice claims nationally. **Performant Recovery Inc.** is the new Region 5 MAC. More information about RACs is at
