### Hospice News: New Year Brought A New Mileage Rate

Don't forget to adjust your travel reimbursement amount, if you tie it to the **Internal Revenue Service** mileage rate. Beginning Jan. 1, the standard mileage rate for cars is 54.5 cents per mile. That's "up 1 cent from the rate for 2017," the IRS points out on its website at [www.irs.gov/newsroom/standard-mileage-rates-for-2018-up-fromrates-for-2017](http://www.irs.gov/newsroom/standard-mileage-rates-for-2018-up-fromrates-for-2017).
