Hospice News: Private Equity Firm Invests In Texas Hospice

A Texas hospice plans to grow further with an investment from a private equity firm. **Heart to Heart Hospice** in Plano has received a minority investment from **Summit Partners**, the companies say in a release. Summit has a long history of investing in home care companies.

Heart to Heart has more than 600 employees, 10 locations, and 1,200 patients in 88 Texas counties, it says.
