### Hospice News: Publicly Traded Company Partners With West Virginia Hospital

**LHC Group Inc.** has entered into a home health and hospice joint venture with **Pleasant Valley Hospital** in Point Pleasant, W. Va., the chain says in a release. Pleasant Valley Home Health and Hospice furnishes services in West Virginia and Ohio, the Lafayette, La.-based provider adds.

"LHC Group has a proven history of successful hospital partnerships, helping patients recover in the comfort of home and preventing costly and avoidable hospital readmissions," CEO Keith Myers says in the release.
