Hospice News: Beware Inaccurate Hospice Reports

If you've run any Hospice-Level Quality Measure Reports or Hospice Patient Stay-Level Quality Measure Reports with dates between Dec. 8, 2016 and Feb. 26, 2017, you'll have to rerun them. "An issue was identified and corrected with calculations" in that date range, the **Centers for Medicare & Medicaid Services** says. See more information at www.cms.gov/Medicare/Quality-Initiatives-Patient-Assessment-Instruments/Hospice-Quality-Reporting/HIS-Technical-Information.html.
