Education: Get Expert Tips on Vital Coding and Documentation Strategies

Are your claims waving a red flag?

If you're like many HHAs, you're rushing to "get the bill out the door" and reimbursement "in the door." But in your haste, are red flags in coding and OASIS inadvertently triggering audits and potential denials? Join expert speaker **Ann Rambusch, MSN, HCS-D, COS-C, RN** for a live audioconference on Tuesday, Feb. 19, 1pm ET. To learn all the obvious -- and not so obvious -- ways your coding and billing practices are putting you at risk for increased Recovery Audit Contractor and **HHS Office of Inspector General** scrutiny in 2013.
