EDUCATION: Sharpen Your Wound Coding With This Educational Offering

Did you know that inaccurate wound coding is one of the most common reasons for RHHI denials? Make sure your wound care coding know-how is up to date in a special 1-hour audio conference with expert speaker **Tricia A. Twombly**.

Join us on Dec. 1 at 1:00 EST for this informative session. For more information about the conference, go to www.audioeducator.com/conference-Home-Health-Wound-Coding-0112 or reach us by phone at 1-800-508-2582.
