Inservice Education: Catch Up On Home Care Coding Changes For 2008

Don't let October ICD-9-CM coding changes distract you from the major coding revisions due Jan. 1.

If you missed hearing coding expert **Judy Adams** explain the 2008 major coding revisions in her 90-minute audioconference "**Coding Changes Ahead Under the 2008 PPS Refinements**," on Sept. 18, don't despair. Order a CD or transcript at 800-508-2582 or online at <http://www.audioeducator.com>. Home Health ICD-9 Alert subscribers qualify for 15 percent off the cost of the conference by mentioning the newsletter and code 15%OFFAUDIOHH.
