Reader Question: Keep Your ICD-10 Transition On-Track

Question: I'm not sure if we're in line for implementing ICD-10 by the October 1, 2014 deadline. Is there somewhere I can check what other people are doing?

New York Subscriber

Answer: Yes. Check out these detailed timelines and checklists for both providers and payers at www.cms.gov/Medicare/Coding/ICD10/ICD-10ImplementationTimelines.html. You can click on links for large practices, small & medium practices, small hospitals, and payers. Then you can see how you're measuring up.
