Survey & Request: Tell Us What You Wish You Could Learn About Coding

We need your input to be sure each issue of Eli's Home Health ICD-9 Alert continues to target the challenges you're facing. To that end, we would greatly appreciate it if you would take a few minutes to fill out a short survey online at <http://www.surveymonkey.com/s/P3YDMC7>.

Thank you in advance for sharing this important information. Your comments will help us provide you and your colleagues with the most relevant coding information possible. And remember, if you have a coding question or concern, we'd love to hear about it (you can always email questions and comments to janm@eliresearch.com).

Payoff: Besides ensuring you get the information you need, your participation gives you a chance to be the lucky survey contributor who wins a \$25 Amazon.com gift card.
