

## Long-Term Care Survey Alert

### Shore Up Your Fire Safety Compliance

A fire is everyone's worst nightmare. You want to make sure your facility stays out of the news and in compliance--and in the best position to prevent a fire from even starting. Plan to attend our 60-minute audioconference with expert building, engineering and safety professional **Pier-George Zanoni, PE, CSP, CIH**, who'll give you the lowdown on fire safety do's and don'ts. He'll spell out the NFPA 101 Life Safety Code so you know it like the back of your hand. For details, go to <http://www.audioeducator.com/> .

To register, call 1-800-508-2582 or visit [www.audioeducator.com](http://www.audioeducator.com). **Mention code 15%OFFAUDIOHH for 15 percent off the cost of your audioconference.**
