Continuing Education Offering

Ready To Earn Nursing Continuing Education Contact Hours? If you're interested in obtaining 4.5 continuing education contact hours in nursing, please see the learning objectives and test posted with this newsletter issue on Eli Research's online subscription service (OSS). The objectives and test cover the July, August and September 2006 issues. Access MDS Alert online by logging onto www.elihealthcare.com/login/. The login is your e-mail address and customer number. If you haven't already set up your OSS option, please contact customer service at 1-800-508-2582. When you sign up for the OSS, you will continue to receive paper copies of the newsletter.
