Continuing Education: Take Culture Change And Continence Programs To A New Level

Dial in to What Leaders Need To Know About Long-Term Care Culture Change, presented by **Susan Gilster, PhD, RN, NHA** on Sept. 19 at 1:00 EST, to learn about the SERVICE model: how it works--and why it works so well. Learn more: <http://www.audioeducator.com/>

Incontinence affects more than half of all residents in long-term care and aging facilities. The good news is that it can be treated and often cured--if your facility uses the correct incontinence management techniques. Listen to Top-Notch Incontinence Tips & How to Stay F315 Compliant, presented by **B.J. Collard, RN, BSN**, on Sept. 26 at 11:00 EST, to find out how. Learn more: <http://www.audioeducator.com/> .

Bonus: To register, call 1-800-508-2582 or visit www.audioeducator.com. Mention code 15%OFFAUDIOHH for 15 percent off the cost of your audioconference.
