Ready To Earn 4.5 Contact Hours In Nursing Continuing Education?

If you're interested in obtaining 4.5 continuing education contact hours in nursing for the last three issues (Vol. 5, Nos. 1-3), please see the learning objectives and test in the online version of this newsletter issue on **Eli Research's** online subscription service (OSS). Access MDS Alert online by logging onto www.elihealthcare.com/login/. The login is your e-mail address and customer number. If you haven't already set up your free OSS option, please contact customer service at 1-800-508-2582. You will continue to receive paper copies of the newsletter even though you access issues online through the OSS.
