

OASIS Alert

Inservice: CATCH THIS OASIS GUIDANCE BEFORE IT'S TOO LATE

Clear up your CAHPS confusion and prepare for the future with these audioconferences.

OASIS C complexities and other home health changes will challenge your staff. Use these resources to get started on training.

- **Audit-Proof Your Diagnosis Coding for Home Health. Wed. March 17, 1 p.m. ET.** Home health agencies must ensure that their diagnosis coding can withstand the rigors of audits and reviews. Join OASIS expert **Judy Adams** to zoom in on the key requirements that support accurate ICD-9-CM diagnosis coding. More information is at www.audioeducator.com/conference-Audit-Proof-Your-Diagnosis-Coding-170310 or call 1-866-458-2965.

- **CAHPS Overview: The Basics You Need to Know. Wed. March 31, 1 p.m. ET.** CAHPS is coming and you must understand the program, obligations and costs if you hope to meet CMS' requirements. Chicago-based consultant **Rebecca Friedman Zuber** offers help. More info is at www.audioeducator.com/conference-CAHPS-Overview-310310 or call 1-866-458-2965.

Also, don't forget to take advantage of recordings, such as expert **Karen Vance's** three-part series on OASIS C. The sessions, which originally aired in February, were titled "The Process Measures -- Part 1," "The ntegmentary Section -- Part 2," and "All the Bits and Pieces -- Part 3."
