Health Information Compliance Alert

CONFERENCES: Conference Calendar Corner

The buzzword in June is "security" as covered entities turn their attention away from privacy and on to security rule compliance. One of the best ways to keep your compliance program up and running is to attend seminars and conferences. Take a look at some of the events occurring near you.

June 3, 2003 in Lafayette, LA: **"HIPAA Implementation: Beyond the Basics"** (Lorman Education Services)

June 4, 2003 in Oakland, CA (and June 5 in both Rohnert Park, CA and DC; June 10 in Costa Mesa, CA; and June 12 in Norfolk, VA): **"HIPAA Security Issues"** (Lorman Education Services)

June 4 - 7, 2003 in Seattle: **"6th National HIPAA Summit West"** (Multi-sponsored)
