Industry Notes: AHIMA Updates Its Cybersecurity Guidelines

The **American Health Information Management Association** (AHIMA) offers providers enhanced advice on how to combat a cyber attack with a new 17-point primer titled AHIMA Guidelines: The Cybersecurity Plan.

AHIMA's new offering presents ideas on practice risk analyses, encryption, mobile device management, and more.

Review the updated guidance at https://journal.ahima.org/wp-content/uploads/2019/08/AHIMA-Cybersecurity-Guidelines_2019Revision.pdf.
