Industry Notes: CMS Offers PI Help With Updated FAQs

With federal policies constantly evolving, your organization may be looking for answers and updates about quality requirements under the Promoting Interoperability (PI) Programs, formerly known as the Medicare and Medicaid EHR Incentive Programs.

Now: The Centers for Medicare & Medicaid Services (CMS) is touting its streamlined webpage and updated PI offerings, which includes Frequently Asked Questions (FAQs). Critical topics covered include: CEHRT requirements; eCQM reporting; SAFER guides; scoring and methodology; and attestation advice.
