TECH TIP: VISTA-OFFICE EHR FAST FACTS

Here's what you need to know about VistA-Office EHR:

1. Market = Private physicians
2. Cost = \$2,700 licensing fee per physician
3. Release date = Aug. 1, 2005, though CMS may not meet that deadline
4. Contractors = WorldVistA (www.worldvista.org) is the vendor support organization; Daou Systems is working with CMS, VHA and the Iowa Foundation for Medical Care to prepare the technology for physician use.
